Roto M is a company founded in 2004 in Vinica and has 20 employees. It is part of ROTO Group, which is one of the leading companies in Europe for production of plastic products by rotomolding. Roto Group owns six production factories, two in Slovenia, two in Croatia, one in Macedonia and one in Serbia. There are over 4000 products in series production and a great deal of specialized products that are produced for the needs of its customers and which are sold in more than 50 countries worldwide. The products are manufactured according to European standards, from materials that are environment friendly and resistant to external influences.

Рото М е компанија која е основана во 2004 година во Винаца и има 20 вработени. Таа е дел од РОТО групацијата, која е една од водечките компании во Европа за производство на пластични производи по пат на ротомулдинг. Рото ГРУП поседува 6 производствени фабрики и тоа 2 во Словенија, 2 во Хрватска и по една во Македонија и Србија. Има преку 4000 производи во сериско производство и голем дел на специјализирани производи кои се поризведуваат за потребите на купувачите и кои се продаваат во повеќе од 50 држави во светот. Производите се произведени по европски стандарди, од материјали кои се еколошки и отпорни на надворешни влијанија.
